Re: Permit Transfer, Castle Rock Land and Livestock, Diatomics #1-8, S/045/048, Tooele County, Utah

Dear Mr. Robinson:

I am in receipt of your letter dated October 22, 2001, to Tom Munson of our office wherein you request the transfer of permit S/045/048 to permit S/045/060 submitted by Holnam, Inc. While there does not appear to be any problem with transferring the permit, we request that you use the enclosed form for the transfer request. This needs to be signed and notarized by a representative of Holnam, accepting full responsibility for mining and reclamation of the site. Please call me at 801-538-5261 if you have any questions.

Sincerely,

Paul B. Baker
Senior Reclamation Biologist
